

**13th Vegan Sommerfestival Berlin
Berlin Alexanderplatz, 16 - 18 June 2023**

Price list

The organiser does not guarantee the completeness and consistency of the listed prices.

Stand Fees - booth fees are for the full duration of the event (three days). Any exceptions for trade and information booths are listed below.

Stand area	
<p>Each stand area is 3m x 3m. The booking of the stand does not include the cost of booking a market stall.</p> <p>The stand-area fees include fees for the special use of Alexanderplatz as well as contribution to the general costs of the festival (security, stage, music and lecture programme, seating, rain-protection tent, organisation, first aid, public relations, etc.).</p> <p>Due to the new safety regulations of the city of Berlin, 'safety blocks' must be set up on adjacent streets. In order to cover the costs incurred, we have to charge a flat fee of 40€ per exhibitor.</p>	
Position	Unit price (net)
Stand fee for gastro	920 euros
Stand fee for trade and info (3 days)	480 euros
Stand fee for trade and info (2 days - Friday and Saturday)	380 euros
Stand fee for info (non-profit, 3 days)	130 euros
Stand fee for info (non-profit, 1 day - only possible on Sunday)	70 euros
Special fees	
<p>In case of excess length of the stand, additional fees will be charged per metre. Attention: If the registered stand/food truck is longer than two regular stands, double the stand fee must be paid.</p>	
Gastro stand	160 euros per metre
Trade stand	110 euros per metre
Information stand (non-profit)	34 euros per metre

VEGANES SOMMERFEST
BERLIN

Infrastructure services - these include water supply and sewage disposal, as well as electricity supply and the booking of a market stall via the organiser.

Market-stall rental	
Market stall (roofing and table/counter on stand area) including assembly and disassembly; approx. 310cm (length) x 250cm (width) x 250cm (height) , tarpaulins with roof, back and side; open at the front above with a continuous wooden panel, approx. 3 m wide and 0.6 m deep; (incl. wooden floor with PVC covering). The market stall has only three walls, which means that it cannot be locked overnight. If any valuables/equipment/materials are to remain on the festival site an appropriate solution must be provided by the participant (such as a tarpaulin or similar structure). The organiser assumes no liability for theft or misuse (see GTC).	
Position	Unit price (net)
Market stall with floor	160 euros
Market stall without floor	110 euros
Drinking water supply and wastewater disposal	
Pipes (GEKA connectors) are supplied without fittings. If the exhibitor brings their own sink or registers a food truck, they must connect the water lines themselves. A minimum length of 20 m drinking-water hose is recommended by the organiser (see General Terms and Conditions). Each catering stand must have a hot-water supply (see General Terms and Conditions).	
Position	Unit price (net)
Drinking water supply and consumption	90 euros
Double sink incl. water heating	170 euros
Power supply	
A permissible extension cord must be brought by the exhibitor (see GTC). Please indicate the type and number of all electrical devices you are bringing.	
Position	Unit price (net)
Power supply	120 euros
